EQ16

Super-Duty Equipment Trailer

Haul equipment like the Kubota SVL95 with confidence, thanks to a durable frame design, 5' ramps and cleated dovetail.

The super-duty EQ16 from OrangeLine Trailers provides versatility, durability and exceptional value all in one. Smart features and purposeful design ensure safe, seamless transport of equipment. And thanks to OrangeLine's professional-grade strength and build quality, the EQ16 is a trailer you can depend on for year after year of heavy use.
