

TU10

Tandem-Axle Utility Trailer

Perfect for light- to medium-duty equipment, with slide-in ramps for easy loading of equipment like the Kubota MX4800

Need a reliable way to transport light- to medium-duty equipment? The TU10 from OrangeLine Trailers is the perfect choice. Smart features like slide-in ramps allow for easy loading and unloading of equipment, while premium components and rock-solid construction ensure lasting durability. OrangeLine Trailers are built for the long haul.
