

TU14

Heavy-duty tandem-axle trailer

Professional-grade features include an adjustable HP coupler, LED lights and a treated floor; works well with the Kubota SVL65 & SVL75

The OrangeLine TU14 is the heavy-duty tandem-axle trailer you can depend on. Premium standard features include an adjustable HP coupler and a treated Southern Pine Deck, ensuring lasting performance and a sleek, professional-grade appearance. The TU14 provides years of durability and makes easy work of hauling equipment.
