OrangeLine Helps Grow Your Bottom Line

With a Kubota-tailored lineup of trailers, you'll make it easier for your customers to buy and use their Kubota equipment.

Right-sized, feature-rich and work-ready, these Professional-Grade trailers offer premium quality perfectly matched to the Kubota product line and brand.

And since OrangeLine Trailers are the only trailers that can be financed through Kubota Finance, you can create packaged equipment and trailer deals that work for your customers.

Package-Ready Trailers

OrangeLine Trailers were selected to perfectly match up with Kubota equipment inventory, making it easy to offer a package deal for your customers.

Feature-Rich

Professional-grade OrangeLine Trailers include top-of-the-line components and the most popular features.

Industry-Leading Availability

With the largest trailer manufacturing footprint in North America, we'll get you what you need, when you need it.

Kubota Financing Friendly

OrangeLine qualifies for Kubota Financing - customers can finance OrangeLine Trailers with their Kubota equipment purchases.

SU35

This single-axle utility trailer is ideal for home and garden tasks and can accommodate many side-by-side and RTV models, as well as commercial mowers.

Standard Sizes	G.V.W.R. Rating	Trailer Weight	Trailer Payload	Trailer Width
12'	2,990#	1,080#	1,910#	77"
14'	2,990#	1,170#	1,820#	77"

EU60

This value-priced tandem-axle economy trailer handles compact tractors and other equipment; perfect for Kubota models like the BX2380, B2601 & L2501.

Standard Sizes	G.V.W.R. Rating	Trailer Weight	Trailer Payload	Trailer Width
16'	6,000#	1,625#	4,375#	77"

TU70

This tandem-axle utility trailer features a generous 83" width. Ideal for hauling small equipment and other farm & ranch applications, it's sturdy, versatile and economical - perfect with the B2601 & L2501 Kubota models.

Standard Sizes	G.V.W.R. Rating	Trailer Weight	Trailer Payload	Trailer Width
16'	7,000#	1,980#	5,020#	83"
18'	7,000#	2,060#	4,940#	83"
20'	7,000#	2,140#	4,860#	83"

TU10

This tandem-axle utility trailer is perfect for hauling light- to medium-duty equipment and small tractors. Slide-in ramps allow for easy loading and unloading of equipment, which is a great match for the Kubota MX4800 model.

Standard Sizes	G.V.W.R. Rating	Trailer Weight	Trailer Payload	Trailer Width
20'	9,990#	2,380#	7,610#	83"

TU14

This is a heavy-duty tandem-axle trailer that comes standard with an adjustable forged coupler, LED lights and a treated floor for a professional-grade appearance and impressive brawn. Perfect for the SVL65 & SVL75 Kubota models.

Standard Sizes	G.V.W.R. Rating	Trailer Weight	Trailer Payload	Trailer Width
20'	14,000#	3,040#	10,960#	83"

EQ16

This super-duty tandem-axle trailer with a generous 83" width provides versatility and exceptional value all in one. Haul equipment like the Kubota SVL95 with confidence every time.

Standard Sizes	G.V.W.R. Rating	Trailer Weight	Trailer Payload	Trailer Width
17'+3'	17,500#	3,710#	13,790#	83"
